Vote Liberal Democrat **FOR A BRIGHTER FUTURE**

A FAIRER BRITAIN

Britain needs fresh vision and leadership to restore fairness in our country. The Liberal Democrats will build an economy that works for everyone, not just the richest.

TACKLE THE CLIMATE EMERGENCY

The Liberal Democrats will take the urgent action needed to protect our environment, making Britain a world leader in renewable energy and green technology.

INVEST IN SCHOOLS, OUR NHS, AND POLICING

As Prime Minister, Jo Swinson will work to ensure our children go to the best schools. The Liberal Democrats will invest billions more on our NHS after years of Tory neglect. We will put more police out in our communities to make them safer.

PAUL FOLLOWS: Fighting to stop Brexit

Paul Follows and the Lib Dems are leading the fight against Brexit.

Paul said, "Whether it's Boris Johnson's deal or a Jeremy Corbyn deal, there is no deal as good as the one we already have as a member of the European Union.

"My first priority must be to stop a disastrous Brexit, but I will also fight to protect local health

services, work to increase affordable housing and for real action on climate change."

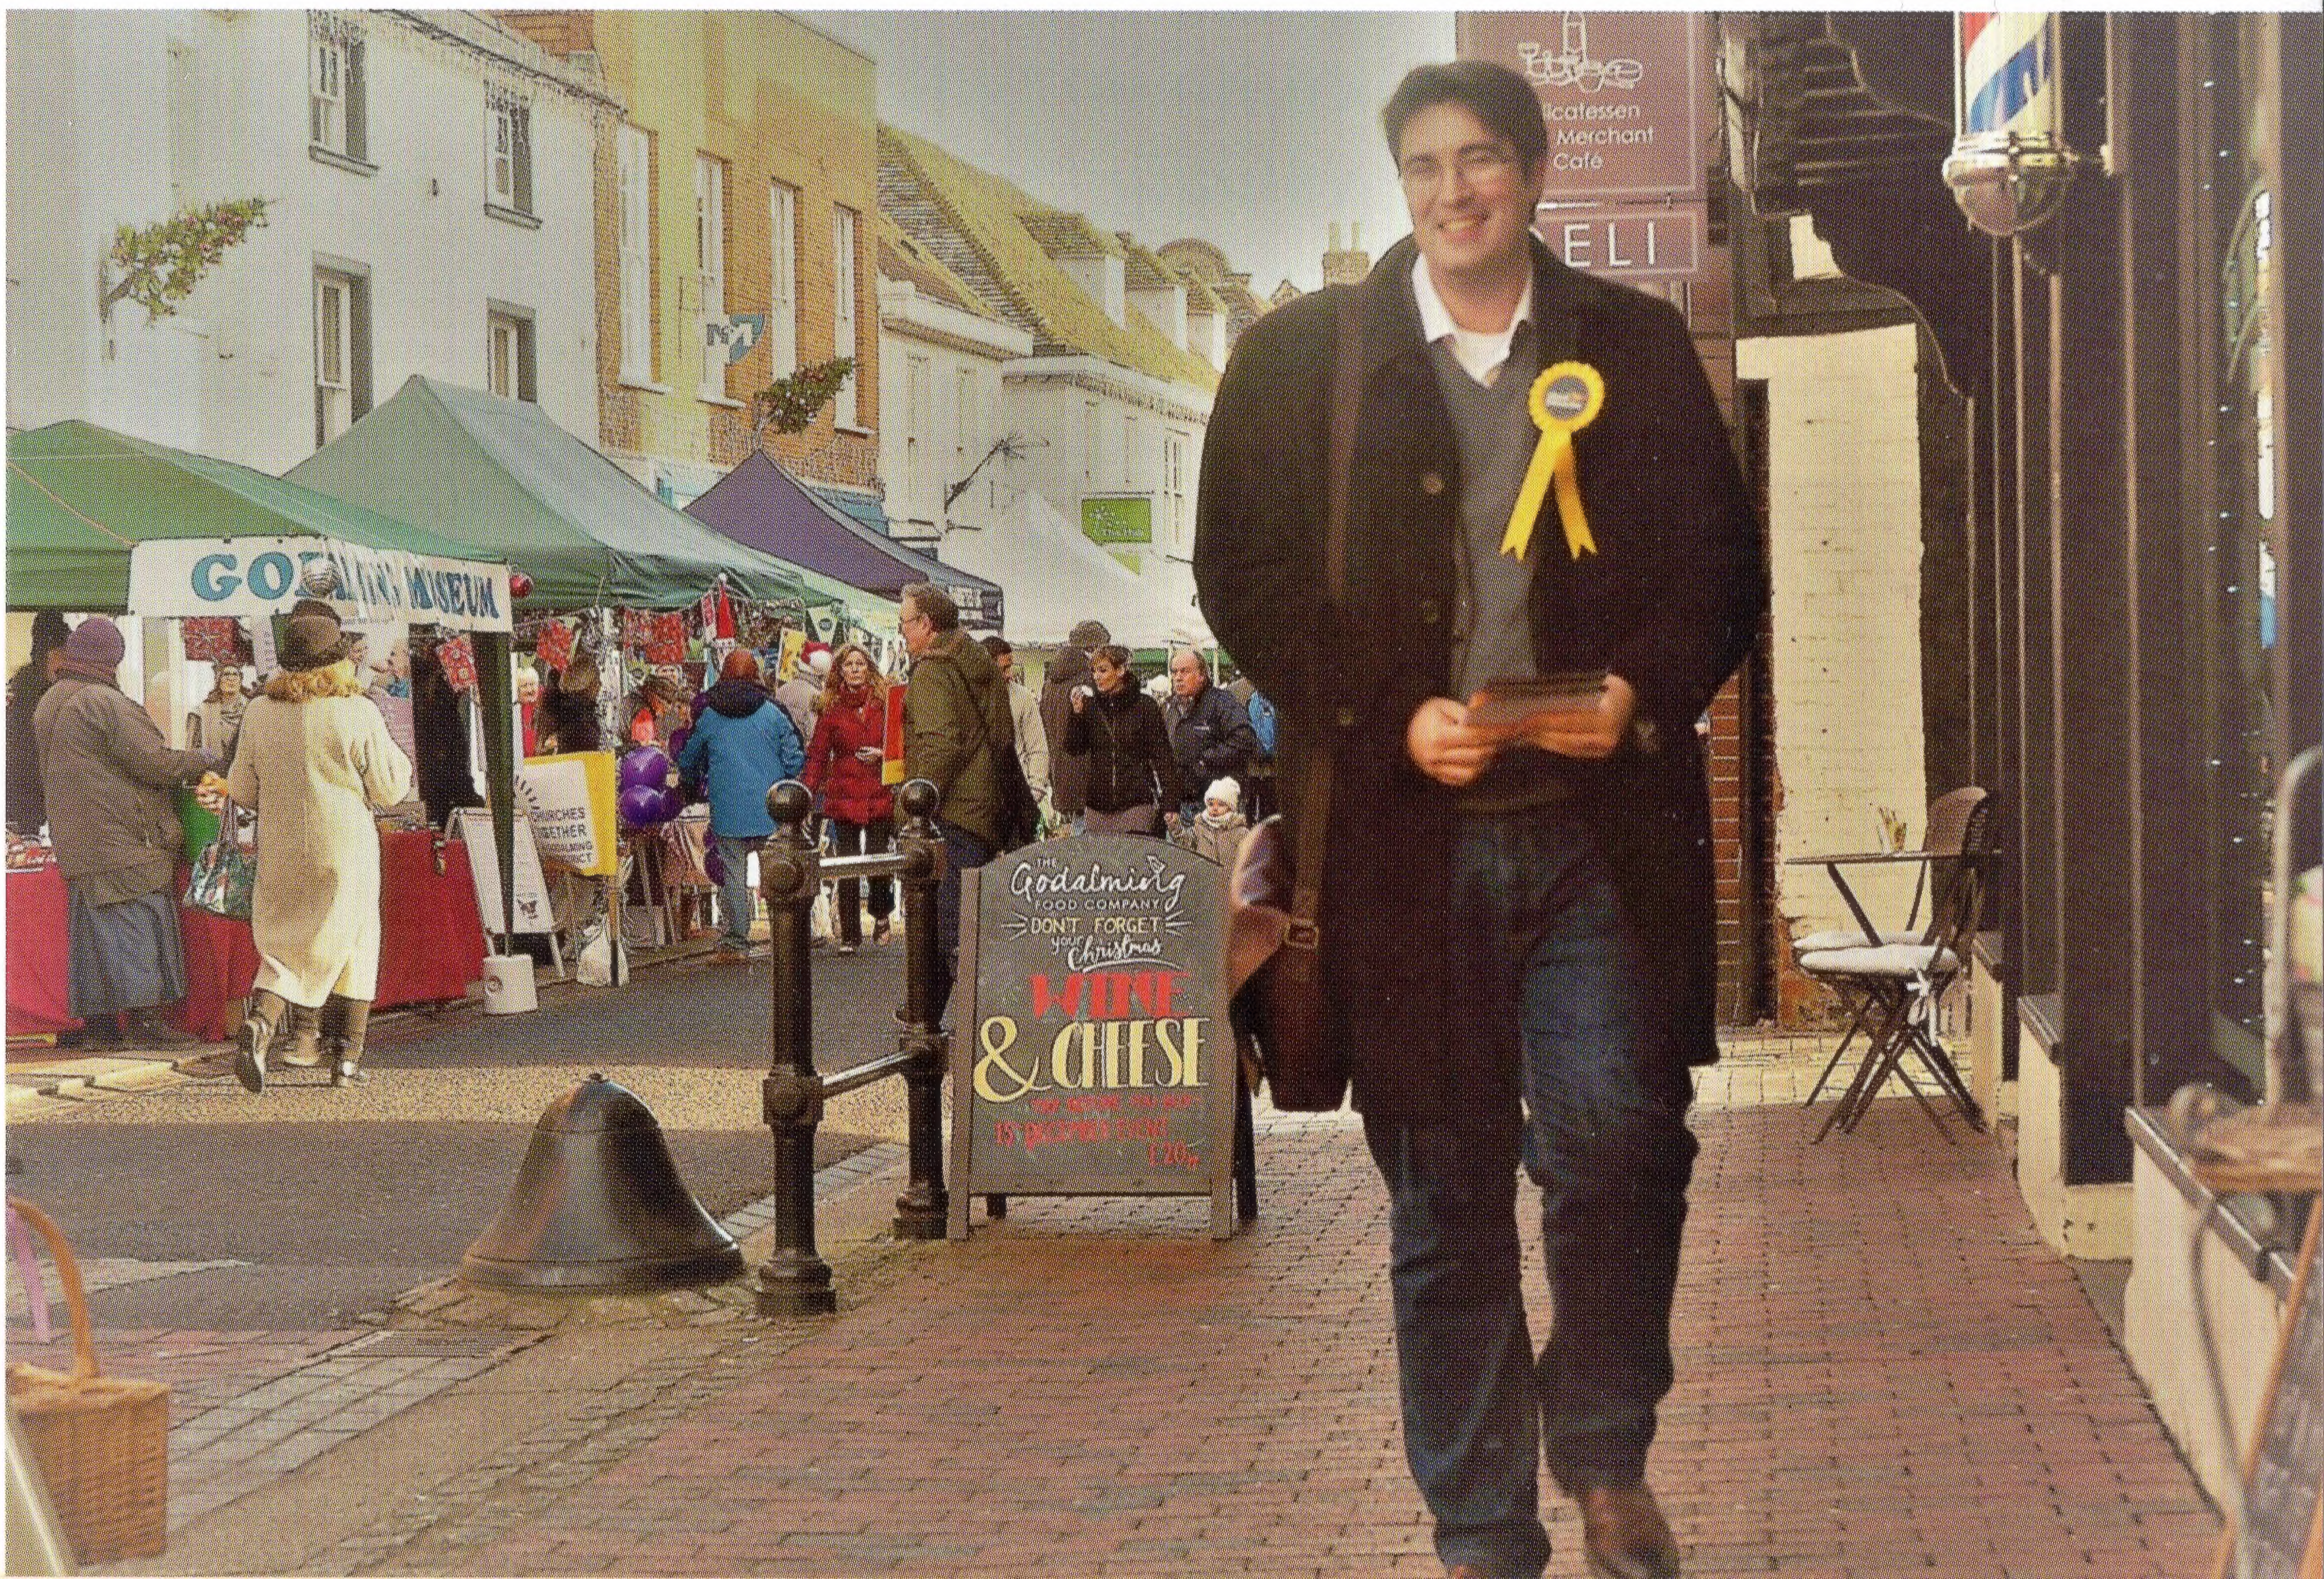

Remember...

Only Paul and the Lib Dems are fighting to stop Brexit.

Paul will fight to protect local services, such as our schools and healthcare facilities.
